Lieut. General Howard A. Craig  
 Commandant, National War College  
 Fort Leslie J. McNair  
 Washington 25, D. C.

Dear General:

Colonel T. J. Wells, of your faculty, requested by telephone a copy of a CIA organization chart that could be used for reference by the students at the National War College.

The accompanying chart reflects this Agency's organization in broad outline. A more detailed presentation would have to be classified. However, despite the general nature of the enclosure, we do not believe it advisable to release it on an uncontrolled basis. Accordingly, it contains the control statement "For U. S. Official Use Only, Special Handling Required - Not releasable to Foreign Nationals."

It is hoped that the enclosed chart will be of some use to the faculty and students of the College.

Sincerely,

s/ Pearce
